## WORK EXPERIENCE

### Post Production Executive

#### Unevo Consultant

February 2026 - Present

- Lead Video Architecture:** Oversee the end-to-end post-production workflow, utilizing Adobe Premiere Pro to deliver high-fidelity video content that aligns with brand standards.
- Quality Assurance & Technical Optimization:** Ensure all deliverables meet rigorous technical specifications for resolution, bitrate, and color accuracy across multiple digital platforms.
- Creative Strategy:** Collaborate with stakeholders to translate complex concepts into engaging visual narratives, increasing viewer retention through advanced pacing and motion graphics.
- Resource Management:** Manage digital assets and project timelines efficiently, ensuring 100% on-time delivery for high-priority client campaigns.
- Cross-Functional Synergy:** Apply a developer's mindset to automate repetitive editing tasks and optimize file storage systems for the production team.

## KEY PROJECTS

- Versatile Creative & Technical Professional. At UNEVO, I lead post-production for brands like Ikonik Salon and Jain Vastralaya. As a Full-Stack Developer, I built Johar Rentals, Ranchi Rides, and Conceptswiz, prioritizing security and UX. Expert in Adobe Suite, React, and Cybersecurity, delivering secure, high-impact digital solutions.
